Feeling like you are not getting the "college experience" living off-campus? Here are a few of the many ways to stay connected to campus, outside of class:

**Join an Organization:**
With over 400 clubs and organizations on campus, it's easy to find something that meets your interest, and allows you to meet new people! Check out a list of organizations here-https://engage.ecu.edu/

**Start a Study Group:**
Send out a mass email to your classmates, and create a weekly study group that meets on campus. It's a great way to meet people and to catch information that you may have missed in class!

**Attend University Events:**
There are a variety of events happening on campus throughout the week. From sporting events to free movies, to make-your-own pottery, there's sure to be something for everyone! Be sure to check the university calendar for upcoming events-http://calendar.ecu.edu/

**Check Your E-mail:**
Many campus departments and organizations communicate events through e-mails! Keeping an eye out for events through e-mail can be a great way to keep connected with campus! Create a folder to have campus e-mails sorted into so that you don't miss out!

**Eat On Campus:**
With an abundance of dining choices on campus, it's easy to find something that meets your taste. Why not catch dinner in the dining hall and attend an event on-campus as a great low-cost outing?
