COVID-19 NOTICE

RESPONSIBLE Social Gatherings

Want to have friends over to your apartment/house? Follow these tips from the CDC to keep everyone safe.

- Keep gatherings as small as possible.
- Wear a face covering and encourage your guests to, especially when you are within 6 feet of each other.
- Entertain outside. If gathering outside isn’t feasible, open windows to make sure your indoor space is well-ventilated.
- Wave and verbally greet your guests. Don’t hug, shake hands, or bump elbows or fists.
- Avoid games or activities where people touch the same items.
- Tell guests where they can wash or sanitize their hands, and encourage everyone to do so when they enter, before eating, and before leaving.
- Ask guests to stay home if they have been exposed to COVID-19 in the past 14 days or are showing symptoms.
- Arrange tables and chairs to allow for social distancing, ensuring people from different households are 6 feet apart.
- Clean and disinfect frequently touched surfaces daily, as well as before guests arrive and after they leave.
- Avoid shared drinks and food like chips, dips, and platters. Provide disposable dishes and utensils.
